

Colorado Wastewater Utility Council

Policy Document 005 Ad-Hoc Committees

An ad-hoc committee is a committee formed for a specific purpose, case or situation where no other committee exists and the required work is not reoccurring. Once all needed work is complete, the committee is dissolved. Ad-hoc committee proposals will be brought to the Council for approval. The proposal will include the following information:

- Purpose of the committee
- Anticipated start and end date
- Members on the committee
- What does the committee plan to accomplish?
